NINTENDO 3DS

THE LEGEND OF ZELDA™

A LINK BETWEEN WORLDS

Two worlds collide in an all-new adventure set in the world of Super NES™ classic The Legend of Zelda™: A Link to the Past™. In this newly spun tale, Link™ transforms into a living painting to cross into a dark, parallel dimension mirroring Hyrule. Conquer the puzzles, traps, and hidden rooms of deadly dungeons to save both worlds from certain doom!

Brought to life in 3D, this beloved, top-down world is the perfect backdrop for a sweeping new tale. Dungeons sink deep below the screen as Link and his attacks pop out, highlighting the nonstop action. The pace is faster than ever, especially since you can swap items on the Nintendo 3DS touch screen. Shoot an arrow, toss a boomerang, bomb a wall, then merge into a painting to slide between two worlds—all in a matter of seconds. With gameplay, visuals, and controls this smooth and consistent, no Zelda™ adventure has ever been so action-packed.

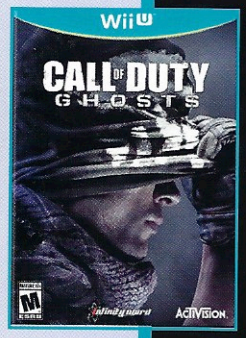
Call of Duty®: Ghosts - Activision

ESRB Rating: Mature
with Blood, Drug Reference, Intense Violence, Strong Language
LAUNCHES: 11.05.13



Single Player Campaign
A New Call of Duty Universe: For the first time in franchise history, players will take on the underdog role with Call of Duty: Ghosts; outnumbered and outgunned, players must fight to reclaim a fallen nation in an intensely personal narrative. Gamers will get to know an entirely new cast of characters and visit locales in a changed world unlike anything seen in Call of Duty® before.

Multiplayer
In Call of Duty: Ghosts you don't just create a class, you create a soldier, a first for the franchise. In the new Create-A-Soldier system, players can change the physical appearance of their soldier by choosing the head, body type, head-gear and equipment, and for the first time in a Call of Duty®. New dynamic maps include interactive elements and player triggered events that make the environment evolve as each match goes on. The new contextual lean system now allows players to lean around obstacles without adding button combinations or fully leaving cover. The new mantling system allows fluid movement over objects, while maintaining momentum. The knee slide allows for a natural transition from sprinting crouching to prone.

Squads
Build your team and take up to 6 of them into battle in the all new Squads mode. This mode takes the best parts of the multiplayer experience and allows you to play either solo or cooperatively with the custom soldiers created and leveled up in multiplayer.

Adventure Time™: Explore the Dungeon Because I DON'T KNOW! - D3PUBLISHER

ESRB Rating: Everyone 10+ with Cartoon Violence, Comic Mischief
LAUNCHES: 11.19.13

- Play as fan-favorite Adventure Time characters Finn, Jake, Marceline and Cinnamon Bun plus many more, each one with unique moves and an arsenal of creative attacks.
- Characters come to life with voiceovers provided by the original TV cast!
- 3DS exclusive – BMO appears on the Touch Screen and gives hilarious hints and game commentary to help the player!

LEGO® Friends - Warner Bros Interactive

ESRB Rating: Everyone
LAUNCHES: 11.12.13

- Welcome to amazing Heartlake City where summer fun awaits! Meet your new LEGO® Friends and join them on exciting adventures that build friendships with the girls and allow you to express your individual style and personality as you explore the city.
- Help your Friends on special adventures like winning a trophy in a horse riding competition or delivering cupcakes, and your friendship levels with the girls will grow as you learn about each Friend's unique personality, interests and style.
- Whether you'd rather train your pet, attend dance rehearsal, play soccer, or practice karate, you can do these things and more as you build fun memories with your five new friends.

Available for purchase in the Nintendo eShop on either Nintendo 3DS or Wii U.
